A lower tax liability translates to lower overhead and increased profits.

Property taxes are consistently one of the greatest annual expenses real estate owners struggle to manage.

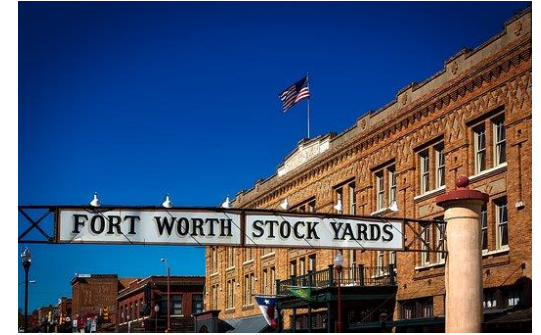

Therefore, it is paramount that property valuations be monitored and when necessary, appealed to the various appraisal entities in order to reduce the property owner's tax burden.

Property Consulting Group is a full service property tax consulting company located in Houston, TX.

Property Consulting Group's associates are experienced and aggressive professionals whose mission is to ensure that our clients are assessed at no more than a fair and equitable level.

"Property Consulting Group obtained an amazing result for my firm! The team at Property Consulting Group not only did an outstanding job, but they were very professional, thorough and met every deadline. They get my highest recommendation."

Our consultants have successfully performed real estate appeals through all administrative levels and achieved further tax reductions through ad valorem litigation support services.
